GAMEPLAY WINNER

This game of quick wits leaves the winner holding all the cards. Are you up to it?

STEP 1

PLAYER 1

PLAYER 2

Remove the bonus cards. Player 1 shuffles the pack and deals 15 cards to each player.

Both players turn over their top cards and place them in the centre of the playing area. The player with the highest green or red value in any category wins both cards.

PLAYER 1

PLAYER 2

PLAYER 1
WINS WITH A TOP
SCORE OF 9100!

TAKES ALL!

STEP 2

PLAYER 2
WINS ALL FOUR
CARDS

Play continues like this as quickly as possible unless two cards draw.

If the two cards have an equal top score both players should play a second card. The winner then captures all four cards that have been played.

If the red or green values are still the same, keep turning cards over until there is a clear winner.

TRY THIS!

Setting a time limit makes the game more exciting! The player with most cards when time runs out is the winner.

STEP 3

The winner is the person who wins all 30 cards in the game.

Remember this game should be played as quickly as possible – try playing with more than two players for a REALLY fast and furious game!

TOP TIP!

For a longer game, why not try playing with more cards?

FAQ EPISODE 22 THE IMPOSSIBLE PLANET

The TARDIS lands on a planet on the edge of a black hole!

Q Which episode is this?

The Doctor and Rose meet a team of humans in a Sanctuary Base on Krop Tor. They are using the alien Ood to drill into the centre of the planet.

Q Why is the planet impossible?

Black Holes are collapsed, powerful stars that pull in everything near them – planets, light, gravity and even time.

Q So how did they get there?

The planet has a gravity field that stops it from falling into the black hole and lets people land. They fly down a funnel of gravity that protects their spaceship.

Q Who are the Ood?

They are a race of aliens who work for the humans as slaves.

Q Where did the TARDIS go?

An earthquake destroys the part of the base where it landed so the TARDIS falls deep underground. Rose and the Doctor are stuck!

Q How does the Beast take over Toby Zed and all the Ood?

The Beast gets into their heads and talks to them through their thoughts. Then they become the legion of the Beast!

The Beast and his armies shall rise from the pit to make war against God

SCARY SYMBOLS!

Q Why are there weird marks all over Toby Zed?
He's under the control of the Beast, the creature trapped at the centre of the planet.

ESCAPE THE BEAST!

Trapped on the Sanctuary Base, you have to escape the Beast and its evil helpers. Can you do it?

INSTRUCTIONS

1. Remove all the bonus cards then shuffle your deck.
2. Place your deck face down and put a counter on the start.
3. Draw the top card and use it to decide your route.
4. Discard your card. Now it's your friend's turn.

You get into a space suit and escape onto the planet's surface.

Look at your Special Abilities scores. Which is higher?

You hide in a storage cupboard.

Have a look at your next card – is it rare or common?

You're through the airlock and run down the corridor.

Is your green Agility above 4000?

Toby Zed has found you – he looks scary!

Look at your red Intelligence score – is it over or under 4000?

Look out! Toby Zed is blocking the corridor.

You run for it if your red Fear Factor is above 5000.

The voice of the Beast is after you! Do you manage to get away?

Only if your card number is below 300.

You get to the Command Centre safely but an Ood is waiting.

Is your card number odd or even?

The Beast causes an earthquake, but what happens next?

Have a look at your deck, is your card Human?

After Sec becomes part-human, he experiences emotions for the first time.

Becoming part-human also makes Sec question whether the Dalek way is really best.

Dalek Sec is meant to be the genetic template for all the Human Daleks.

Sec doesn't give up any of his body armour for the Dalekanium conductor.

The Dalek Sec Hybrid wants to live in harmony with the rest of the universe.

DALEK WARS

The Daleks met one of their fiercest foes when they invaded the planet of Dirimion 7...

EXTERMINATED PESTS

From 'Dalek Victories' by Robert Keyte

Fear isn't something the Daleks experience, even when faced with hordes of giant spiders. However, anger is an emotion they know only too well, as the Nidilla found to their disadvantage when the Daleks invaded Dirimion 7.

The Nidilla spiders had evolved to incredible size after wiping out most other creatures on the planet. They had never been challenged, and had never before seen such uncontrollable rage in a rival.

The Daleks had already cleared the other five planets in the Hanro

solar system and sucked them dry of resources when they landed on Dirimion 7. Their problems started immediately as thousands of baby spiders scuttled all over their ships. The Daleks swiftly exterminated these miniature menaces, but they were just a tiny teaser of what

was to come. As the Daleks moved deep into the mountains that dominated the northern land mass, they came across the parent spiders and realised the true threat these creatures posed.

The Nidilla spiders could weave webs of up to 20 metres across,

coated with an incredibly sticky substance, which was similar to superglue. After some of their number were trapped by the cunning Nidilla, the remaining Daleks opened fire. The battle was long and fierce, but finally the Nidilla were defeated.

DALEK SEC

HUMAN HYBRID!

One Dalek dares to imagine more than any other, so when Dalek Sec and the rest of the Cult of Skaro get trapped in 1930's New York, Sec thinks the only way to break free is to become human!

MUTANT EYE

Unlike a normal human, the hybrid retains a Dalek's one, central eye.

MUTANT TENTACLES

When the Dalek Sec Hybrid talks, parts of the Dalek mutant head wriggle about.

DRESSED TO KILL

The only recognisable part of Mr Diagoras is his black pinstripe suit.

DALEK MUTINY

The Cult of Skaro turn on their leader when he has a human body. They find him disgusting, but still want to use his Dalek DNA.

PIGGY PRISONER

Everyone turns on Dalek Sec in the end – the Pig Slaves side with the Cult of Skaro. They restrain Dalek Sec and chain him up.

HUMAN DALEK ARMY

Just as the Cult of Skaro betray Dalek Sec, the Human Daleks turn on their 'masters' and exterminate two of them.
